

Funding Proposal: Securing the Future of Vulnerable Children in Kibera

Organization: Andolo Gideon Youths (AGY)

Location: Kibera, Nairobi, Kenya

Project Title: Comprehensive Care and Empowerment Program for Orphaned and Vulnerable Children

Total Funding Request: Ksh 7,350,000

1. Executive Summary

Andolo Gideon Youths (AGY) is a community-based organization dedicated to transforming the lives of orphaned and vulnerable children in Kibera, one of Africa's largest urban slums. Our children's home provides a safe haven, nutritious food, quality education, and holistic care to children who have faced unimaginable hardship.

This proposal seeks Ksh 7,350,000 to fund a 12-month Comprehensive Care and Empowerment Program. The funding will directly support the daily operations of the children's home, covering essential needs such as food, education, healthcare, psychosocial support, and staff salaries. By investing in AGY, you are not just providing shelter; you are building a foundation for a future where these children can break the cycle of poverty and become self-sufficient, contributing members of their community.

2. Organization Background

Mission and Vision

- **Vision:** To see a community where every child, regardless of their background, has the opportunity to thrive in a safe, loving, and supportive environment.
- **Mission:** To rescue, nurture, and empower orphaned and vulnerable children in Kibera by providing holistic care, quality education, and life skills training, enabling them to reach their full potential.

History and Establishment

Andolo Gideon Youths was founded in 2015 by a group of young, passionate community members in Kibera who witnessed the increasing number of children living on the streets, facing neglect, abuse, and extreme poverty. What began as a small feeding program under a tree has since grown into a registered children's home, currently providing care for 35 children. The organization was formally registered with the Kenyan government in 2018.

Target Population and Community Served

We serve the most vulnerable children in Kibera, Nairobi. Our beneficiaries include:

- Children who have lost one or both parents to HIV/AIDS, disease, or violence.
- Children who have been abandoned or are victims of neglect.
- Children living in extreme poverty, often forced to scavenge for food.
- Children who have experienced physical or emotional abuse.

Organizational Structure and Key Personnel

AGY is governed by a dedicated Board of Directors and managed by a committed team.

- Group Director: Robert Achoki – Oversees all operations, strategy, and partnerships.
- Programs Coordinator: Mary Akinyi – Manages children's welfare, education, and healthcare.
- House Mother/Matron: Grace Wanjiku – Provides daily care, emotional support, and supervision for the children.
- Social Worker: John Omondi – Conducts community outreach, case management, and family reintegration where possible.
- Support Staff: Two cooks and a security guard.

Past Achievements and Impact

Since its inception, AGY has:

- Provided a stable home and care for over 70 children, with 35 currently in residence.
- Achieved a 100% school enrollment rate for all school-aged children in the home.
- Successfully reunited 12 children with extended family members after stabilizing their home environment.
- Provided over 150,000 nutritious meals to children in the community through our feeding program.
- Graduated its first cohort of 3 students from vocational training programs (carpentry and tailoring).

3. Problem Statement

Kibera, home to an estimated 250,000 to 1,000,000 people, is characterized by extreme poverty, overcrowding, and a lack of basic services. For children, this environment is particularly perilous.

- Poverty and Malnutrition: Over 60% of families in Kibera live below the poverty line, often surviving on less than \$1 per day. This leads to chronic malnutrition, stunted

growth, and weakened immune systems in children. Many children AGY serves came to us with severe malnutrition.

- **Inadequate Shelter and Protection:** Families often live in single-room iron sheet shacks (approximately 10x10 feet) that house up to 8 people. Children in these conditions are highly vulnerable to disease, abuse, and exploitation. The lack of a safe environment forces many onto the streets, where they become susceptible to crime, drugs, and child trafficking.
- **Lack of Access to Education:** While primary education is government-funded, the cost of uniforms, books, and activity fees is prohibitive for many families. Without an education, children are trapped in a cycle of poverty. In Kibera, secondary school enrollment is less than 30%.
- **Healthcare Needs:** Access to clean water and sanitation is limited. Waterborne diseases like typhoid and cholera are common. The nearest public health facility is often overcrowded and under-resourced, leaving many children without access to essential healthcare.

Without immediate and sustained intervention, these children face a bleak future. AGY provides a crucial safety net, but our resources are stretched thin. This funding is critical to ensure we can continue to provide life-saving care and life-changing opportunities for the 35 children currently under our care.

4. Project Description

This project aims to provide comprehensive, uninterrupted care for 35 children for 12 months, ensuring their immediate needs are met while investing in their long-term future.

Specific Goals and Objectives

- **Goal 1: Ensure the physical well-being of all children.**
 - *Objective 1.1:* Provide three nutritious meals per day, 365 days a year.
 - *Objective 1.2:* Provide access to primary and secondary healthcare, including emergency care, routine check-ups, and mental health support.
- **Goal 2: Ensure access to quality education for all school-aged children.**
 - *Objective 2.1:* Enroll and retain all 35 children in school (primary, secondary, or vocational training).
 - *Objective 2.2:* Provide all necessary school supplies, uniforms, and fees.
- **Goal 3: Provide a safe, stable, and nurturing home environment.**

- *Objective 3.1:* Maintain a safe and hygienic living facility with adequate staffing.
- *Objective 3.2:* Provide regular psychosocial support and counseling to address trauma.

Activities to be Undertaken

- Food & Nutrition: Weekly purchase and preparation of balanced meals; monthly nutritional assessments.
- Education: Payment of school fees and levies; procurement of uniforms, books, and stationery; after-school tutoring and mentorship.
- Healthcare: Regular health check-ups; deworming and vaccination drives; emergency medical fund for hospital visits; monthly psychosocial counseling sessions.
- Care & Protection: 24/7 care and supervision by house parents; case management for each child; regular home visits for family reunification and support.

Timeline for Project Implementation (Year 1)

Activity	Q1 (Months 1-3)	Q2 (Months 4-6)	Q3 (Months 7-9)	Q4 (Months 10-12)
Procurement of Food & Supplies	X	X	X	X
Termly School Fee Payments	X		X	
Healthcare & Counseling	X	X	X	X
Staff Salaries & Operations	X	X	X	X
Mid-Term & Annual Evaluations		X		X

Activity	Q1 (Months 1-3)	Q2 (Months 4-6)	Q3 (Months 7-9)	Q4 (Months 10-12)
Sustainability & Skills Training			X	X

Expected Outcomes and Impact

- Outcome 1: 100% of children will maintain good nutritional status, with no cases of severe malnutrition.
- Outcome 2: 100% of school-aged children will be enrolled in and regularly attending school, with a 100% promotion rate to the next grade.
- Outcome 3: All children will have access to timely medical care, reducing absenteeism due to illness by 50%.
- Outcome 4: Improved emotional well-being and resilience, evidenced by a reduction in behavioral issues and positive feedback from children and staff.

Sustainability Plan

AGY is committed to long-term sustainability beyond this funding period. Our strategy includes:

- Income-Generating Activities (IGAs): We are developing a small-scale poultry project to provide eggs for the home and generate income from surplus sales.
- Local Partnerships: We will continue to build relationships with local businesses and churches for in-kind donations (e.g., food, clothing).
- Community Support: We have an active local volunteer base that supports with tutoring, maintenance, and administrative tasks, reducing operational costs.
- Diversified Fundraising: AGY will continue to seek funding from multiple donors (government, foundations, individual donors) to avoid over-reliance on a single source of income.

5. Budget

Total Funding Request: Ksh 7,350,000

Category	Item Description	Monthly Cost (Ksh)	Annual Cost (Ksh)	Justification
1. Personnel			3,000,000	Essential for providing quality care and management.
	Group Director (1)	50,000	600,000	Overall management, strategy, and fundraising.
	Programs Coordinator (1)	40,000	480,000	Oversees child welfare, education, and health programs.
	House Mother/Matron (1)	35,000	420,000	Provides 24/7 care, supervision, and emotional support.
	Social Worker (1)	30,000	360,000	Manages casework, family visits, and child protection.
	Cooks (2)	20,000 each	480,000	Preparation of 3 nutritious meals daily for 35 children.
	Security Guard (1)	25,000	300,000	Ensures 24/7 safety and security of the home.
	Staff Allowances & Training	30,000	360,000	For professional development,

Category	Item Description	Monthly Cost (Ksh)	Annual Cost (Ksh)	Justification
				transport, and communication.
2. Program Expenses			3,300,000	Direct costs for the children's well-being.
	Food & Nutrition	180,000	2,160,000	Balanced diet: maize, beans, rice, vegetables, meat, milk, oil.
	Education: School Fees	50,000	600,000	Covers fees for primary, secondary, and vocational training.
	Education: Supplies	10,000	120,000	Uniforms, books, pens, bags, and school shoes.
	Healthcare & Medical	25,000	300,000	Routine check-ups, emergency fund, vaccinations, counseling.
	Clothing & Sanitation	10,000	120,000	Clothing, shoes, soap, detergent, sanitary pads.
3. Operational Costs			900,000	Essential for running the facility.

Category	Item Description	Monthly Cost (Ksh)	Annual Cost (Ksh)	Justification
4. Capital Expenditure	Rent (for the children's home)	50,000	600,000	Provides safe and secure shelter for all 35 children.
	Utilities (Water, Elec., Gas)	25,000	300,000	For cooking, cleaning, lighting, and hygiene.
			150,000	For improving infrastructure and sustainability.
	Poultry Project Setup	150,000	150,000	Initial investment in chicks, feed, and coop for a sustainable food source and income.
Total			7,350,000	

6. Monitoring and Evaluation (M&E)

AGY is committed to accountability and transparency. We will track our progress using a robust M&E framework to ensure funds are utilized effectively and desired outcomes are achieved.

Key Performance Indicators (KPIs)

Project Goal	Key Performance Indicator (KPI)	Target	Data Source
Physical Well-being	Number of children with stable/normal BMI	100% of children	Monthly health & nutrition logs

Project Goal	Key Performance Indicator (KPI)	Target	Data Source
	Number of meals served per day	3 meals/day, 365 days	Daily meal log
Access to Education	School enrollment rate	100% of school-aged children	School admission letters
	School attendance rate	>95%	Monthly school attendance reports
	Promotion to next grade rate	100%	End-of-year school reports
Safe Environment	Number of incident reports (illness/injury)	0 severe incidents	Incident log, staff reports
	Number of psychosocial counseling sessions held	Minimum 12 sessions/year	Counselor's log
Overall Impact	Child satisfaction survey score	>90% satisfied	Bi-annual child interviews

Reporting Procedures

- **Monthly Internal Reports:** The Programs Coordinator will compile a monthly report on program activities, budget spending, and child progress for the Group Director.
- **Quarterly Reports:** A comprehensive quarterly report will be shared with the Board of Directors and key stakeholders. This will include progress against KPIs, challenges faced, and financial summaries.
- **Final Narrative & Financial Report:** At the end of the 12-month funding period, a detailed final report will be submitted to the donor. This report will include:
 - A summary of all activities and achievements.
 - An analysis of outcomes against stated goals and objectives.

- A final audited financial statement showing all expenditures.
 - Case studies and photographs (with consent) to illustrate the impact of the funding.
-

7. Appendices

(The following documents would be attached to the proposal)

- 1. Appendix A: AGY Certificate of Registration (from the Kenyan government).**
 - 2. Appendix B: AGY Constitution and By-laws.**
 - 3. Appendix D: Brief CVs of Key Personnel (Group Director, Programs Coordinator, Social Worker).**
 - 4. Appendix E: Most recent financial statement (unaudited) and latest bank statement.**
 - 5. Appendix F: Photographs of the children's home, children in activities, and facilities.**
-
